

In my opinion...	From my point of view...	As far as I am concerned...	It would seem to me that...
I am sure that...	I have no doubt that...	I strongly believe that...	I've never thought about this before, but...
I could be wrong but...	It a complicated issue, but...	Some people may disagree with me, but...	Without a doubt...
As I see it...	I've always thought that...	The way I see it...	What I think is...
What do you mean by...?	Could you give us an example?	Could you be more specific please?	Could you say that in a different way?
Would you mind repeating that please?	I am sorry, I didn't hear you?	Sorry, I am not quite sure I follow you?	Sorry, I didn't get your point.
Can you repeat that?	Could you say that again please?	Sorry I didn't catch that?	What was that again?
Pardon me?	I am sorry; I didn't understand the last part.	Hang on, say that again please.	Excuse me?
