1	Does beauty affect one's success in life?	Do people spend too much time and money on beauty?	How popular is plastic surgery in your country?	What makes one person more attractive than another?	Are beauty pageants good or bad?	What are some of the drawbacks of being beautiful?
2	To be easy on the eye	Would you ever have plastic surgery?	Do you think we are conditioned by advertising to see what is beautiful?	What internal qualities make a person beautiful?	Do you think beautiful people have it easier in life?	To be thin on the top
3	To be dressed to kill	Not a hair out of place	Is the concept of beauty the same today as it was 100 years ago?	Is there more pressure on women to be beautiful than there is on men?	To look a sight	To be as pretty as a picture
4	To cut a dash	To be as ugly as sin	What should be the minimum age at which people can choose cosmetic surgery?	What makes a person beautiful to you?	To clean up nicely	To have a face only a mother could love
5	To be dressed up to the nines	Do beautiful people intimidate you?	How does the absence of beauty affect people?	What would you tell your children about beauty?	Do you think models portray unrealistic image of beauty?	To have a face for radio
6	Do we expect more from beautiful people?	Do you read beauty magazines? Why?	Do you think self-esteem affects beauty?	Who would you say is beautiful than others maybe wouldn't?	Who do you think is the most attractive person in your country?	What draws you to a person when you meet them for the first time, looks or personality?
