

The unexplained

	1	2	3	4	5	6
1	Do you believe in ghosts?	Would you talk to a ghost?	Do you know any good ghost stories?	Have you ever seen a ghost?	Have you ever gone to a psychic?	Do you believe in horoscopes?
2	Can you recall any unexplained events in your life?	Have you ever known something was going to happen before it did?	Would you spend a night in a "haunted" house?	What are some things that are considered unlucky?	What numbers are considered (un)lucky in your country?	If you saw an alien what would you do?
3	What are some superstitions in your country?	Why do some people need fortunetellers?	Do you think that dreams come true?	Do you believe there is life on other planets?	Do you believe your ancestors are watching you?	Do you think dreams can help us solve problems?
4	Do you have a lucky number?	Does your star sign describe your personality traits well?	What is the most frightening thing that has ever happened to you?	Do you believe in coincidences?	Have you ever been in a cemetery at night? Would you go?	Do you get scared by horror stories and films?
5	Is there an area where you live that is known to be haunted?	What would you do if you were taken aboard a UFO?	Do you believe in reincarnation?	What are some of the scariest supernatural movies?	Do you think people can read your thoughts?	If you could develop one special power, which one would you choose?
6	If you were a ghost, who would you haunt?	What do you think a spirit would look like?	Do you believe in hypnosis?	What supernatural things do you believe in?	Do you think people can move objects without touching them?	Have you ever felt you knew someone the first time you met them?
