

# You'll never guess what

Name as many items as you can in a category, with or without the restriction of a letter

Think of an item and describe it to others

Think of an item and answer questions about it until others guess what it is

Take turns naming items from a category. The first person who can't think of a word is out

Throw the dice twice.

First throw, choose a column.

Second throw, choose a row.

	1	2	3	4	5	6
1	A city	A country	A famous person	A job	A means of transport	A piece of clothing
2	A piece of fruit	A piece of furniture	A school subject	A sport	A tool	A TV show
