

Homework assignment courtesy of A. Thank you ;)

I have purposefully chosen a colourful font for this assignment because A once told me that “colour opens her brain” and she becomes more receptive to learning.

How to make a cheese sandwich

1. **First** you you have to buy bread and some cheese
2. **Once** you have bought the ingredients you should find a sandwich maker
3. **Having** found the sandwich maker you need to open it and place the sandwich on the bottom plate
4. **The next step is** to close the sandwich maker
5. **Next** we have to wait for 10 minutes
6. **Then** we have to open the sandwich maker
7. **Finally** our cheese sandwich is ready

How to dress like a princess

1. **First** imagine you are at a wedding. You have to go to a bridal boutique in Dubai and choose the most bling bling wedding dress
2. **Once** you have the wedding dress you should look for a diamond tiara
3. **Having** found the diamond tiara you have to find a husband
4. **The next step is** to do your wedding makeup, red lips and *Shine bright like a diamond* eyeshadows
5. **Next** you have to do your perfect Baby Boomer wedding nails
6. **Then** you are **finally** a princess

How to make your pet happy

1. **First** you have to go to the zooplus website
2. **Once** you find the website you have to find the cosma XLL snacks
3. **Having** found the snackies you should order them
4. **The next step is** to open the door when the courier comes
5. **Next** you have to open the snack bag
6. **Then** you should give the snacks to your cat
7. **Finally** your cat is happy
